

QUIZ & CURRY NIGHT

SATURDAY 20TH MAY 2017

7:30pm THE VILLAGE HALL

We are holding a quiz and curry night to help fund our continued campaign against the industrialisation of our village.

You may think that the solar farm is done and dusted, this is not the case. We are still fighting the planning permission for the solar farm and the developer has plans to expand it.

We will give you a brief update on our activities on the night. Please do come along and support us on Saturday May 20th 2017. Quiz starts at 7.30 and we have a fully licensed bar. Tickets are £ 10.00 each which includes curry and rice.

Please contact Christine Ando for tickets on cando53@icloud.com or text Nerys
