09/20/01 – Minutes of the previous meeting

The minutes of the August meeting were proposed as correct by Councillor Schofield and seconded by Councillor Meringolo.

09/20/02 – Matters arising

- Fly-tipping: An on-line meeting was held with representatives of Newport Council's Environmental Health department to explore how we can work together to combat fly-tipping. They are keen to work with us and they can issue £400 fixed penalty notices if we can provide sufficient evidence. It is hoped that the CCTV cameras currently being installed will provide this, though there will also be a need for personal statements. A further meeting is scheduled for October 6th.
- Councillor Taylor requested that the representative from Natural Resources Wales should be included in conversations about fly-tipping as they also have a duty to prosecute offenders.
- Several people have commented that Newport and Caerphilly councils seem to be making it difficult to use the recycling centres, which will only encourage people to fly-tip.
